Founded 1545 • Headteacher: Mr Rob Gammon BSc Hons PGCE NPQH

4th March 2024

Dear Parent

I understand that you have been notified by the Local Authority that your child has been offered a place at The King's School from September. Congratulations on securing a place and we very much look forward to working with you in the years ahead.

The number of applications for a place in year 7 at The King's School has far exceeded the number of school places available. As a consequence, there are some year 6 students who have not been able to secure a place here. It is therefore very important that you let Devon County Council know immediately if your child will not be joining us in September so that a place can be allocated to the next student on the waiting list.

Our induction process is led by Mrs Argent-Wenz who will be supported by Mrs Curtis. The current aim is:

- To liaise with the primary schools so that we understand more about each student who will be joining us and try to ensure as smooth a transition as possible.
- For each student to either receive a visit from one of our staff to their primary school or to be invited into King's during the summer term.
- Hold an evening for all students and their parents on Thursday 27th June.
- Hold an induction week at King's from Monday 8th to Friday 12th July.

Further details about the induction process, with key dates and times, will be sent home to you after Easter.

If you have any further questions about the induction process in advance of this information coming home, please contact Tara Curtis on the school telephone number (01404 812982) or e-mail using this address: studentsupportadmin@thekings.devon.sch.uk.

We look forward to meeting you and your child over the next few months.

Yours sincerely,

Mike Garrick

Deputy Head – Student Support
